Thank you for expressing interest in attending this practice. This letter gives relevant information, for your consideration. If you would still like to attend this practice, please return the attached sheet and we will place your name on our waiting list for new patients.

About this Practice

Merran is a General Practitioner who trained at Monash University, graduating in 1985 and received her Fellowship in General Practice in 1999. She has interests in women's health, health coaching, nutrition and lifestyle, and mental health. This practice was established in 2002.

Services provided:

- General health assessment and management.
- Women's Health checks.
- Referral to other health care providers.

Opening Hours

9 am to 4 pm on Tuesdays, Wednesdays, and Thursdays.

First appointment

An hour is allocated to each new patient.

Before the appointment, we ask you to fill in a pre-consultation questionnaire and request permission to access relevant previous results from pathology or radiology.

Review and subsequent appointments for existing patients

Follow-up appointments can be scheduled ahead or made via phone or by our online booking system as needed. We use a text reminder system and request that any cancellations are made as soon as possible. Accounts may be issued for appointments cancelled after confirmation or within 24 hours of the appointment, or for failure to attend an appointment without notice.

Fees

From 19 January 2017, the cost of an initial appointment is \$260.

Fees for subsequent appointments depend on the duration of the appointment. These are available on request.

A discount is given for payments made on the day of consultation. Payment may be made by cash, cheque or EFTPOS in the rooms, or direct debit.

Medicare rebates are available for most appointments (for example, medical reports are not included) but do not cover the whole cost of the consultation. A Tyro machine is available for reimbursement of the Medicare rebate.
